

WALK SIX

Wilmcote Church to Aston Cantlow Church

Starting from Wilmcote Church walk left towards the shop, and opposite the shop follow the footpath signs around behind the old Chapel. Follow the marked path on the left until you reach a field. Keep the hedge to your right and walk along this field, then over two stiles, into a large meadow.

Keep walking straight ahead with the hedge now on your left. Go into the next field and just before the hedge (which juts out in front of you), take the footpath to the left, over a stile by a gate.

Follow this marked path for three-quarters of a mile, until you come to the road at the bottom of Aston hill. Turn right and in one hundred and fifty yards, take the second of two footpaths on the right. Cross two fields and then turn right on to the road that leads to Aston Cantlow.

Take care on the road, especially on the sharp bends, and having passed The Old Green, and Tea Pot Hall, take the left road at the T-junction and in one hundred yards, take the footpath to the right. Cross the field, go over the bridge, through the churchyard, and reach Aston Cantlow Church.
